

**Beyond Foundations:
Developing as a Master Advisor
Pre-order Form**

*Educators seeking a better understanding of developments in the field of academic advising and its future potential need look no further than this important work. Indeed it should be required reading for both "master advisors" and anyone in higher education aspiring to make a significant and lasting impact on student success. **Nancy King**, NACADA Past President, Professor Emeritus of English, Vice President Emeritus for Division of Student Success and Enrollment Services, Kennesaw State University*

*Finally, we have a major work illuminating the critical intersection of academic advising and college student success. **Beyond Foundations** will empower and support the work of our most experienced, successful, and long-serving practitioners and leaders—master advisors. **John N. Gardner**, President, John N. Gardner Institute for Excellence in Undergraduate Education*
