

NACADA Alabama-Mississippi Drive-In 2016 Harmonizing Success: Advising Students in Transition Call for Proposals

The 2016 Alabama & Mississippi Drive-In Conference Committee invites you to submit a proposal to present at the **NACADA Alabama-Mississippi Drive-In Conference**. The conference will be held August 12th, 2016 on the campus of the University of North Alabama in beautiful and historic Florence, Alabama. The event is hosted by the University of North Alabama.

The purpose of this conference is to learn about best practices in advising and to reconnect, revitalize and collaborate with administrators, academic advisors, and faculty advisors at two and four year colleges and universities – public and private. Please consider sharing your experiences related to advising practices and initiatives toward student success. We are seeking a wide range of presentation topics with engaging and interactive breakout sessions. Sessions should not exceed 60 minutes in length, including time for questions and discussion.

Advising administration, faculty, full-time advisors, and administrative staff are invited to submit proposals. We encourage novices and experienced presenters alike to share your research, best practices, or techniques with your colleagues.

Proposal deadline is June 24, 2016. Please submit your presentation proposal by completing the form below and email the form, your proposal, and abstract to mprice2@una.edu.

Instructions for proposal and abstract are attached in a separate document.
